

Andrew Cuomo [Protected Organized Crime](#) while masquerading as faithful Attorney General of New York.

Cuomo covered-up

Judge James M. Peck's wife beating crime so that he could continue his role enriching organized crime in the

[Lehman](#)
bankruptcy.

The Sad parallels between the corrupt reign of [Eliot Spitzer](#) and Andrew Cuomo are epitomized by the failure of Cuomo to investigate the numerous decisions by Spitzer to forgo investigation and prosecution of criminal referrals under the dubious power of **prosecutorial discretion**

. Cuomo's tacit approval and involvement in the cover up of scandals involving

[Judge](#)

[James Peck](#)

a/k/a "

[the](#)

[BitchSlapper](#)

", the

[WorldCom](#)

Whistleblower death threat advice, and

eToys

are just a few which have surfaced.

Only a **Federal Special Prosecutor** could avoid the conflict of interest issues inherent with having New York's own corrupt justice system purport to investigate itself.
